Desert Sun Hanging Light

SKU: HLDS-006

Lux Collection 12" Wide Desert Sun Pendant: This distinctive hanging light is the first thing guests see when they enter a room, and they won't be able to stop talking about it. Leaves in a variety of autumnal shades are hand-crafted from resin crystals and gathered together in a bouquet that evokes the most brilliant sunsets—finished in antique bronze for a distinctly sophisticated look. Hang them in pairs above a coffee table or a dining room for a dynamic effect. Includes LEDs for greater energy efficiency.
