Red Rosettes Hanging Light

SKU: HLRR-001

Rosette Collection 10" Wide Red Rose Pendant: Hang a bouquet from the ceiling with these rose resin crystals in a warm, romantic red. They have an antique brass finish that offsets the fresh essence of the floral pendant. Taking inspiration from the iconic bunch of roses, this pendant (which includes LEDs for increased energy efficiency) looks excellent in twos or threes hung above a breakfast bar or kitchen island. Uses one 5-watt G9 LED bulb, included in each purchase.
